

LOCKDOWN CHALLENGE

RECYCLED AQUARIUM

To keep busy this lockdown we challenge you to make your very own **recycled aquarium**.

Using recycled materials you can find around your house build your own craft aquarium at home, choosing your **favourite sea creatures** to bring to life!

Cut out these sea creatures to help you get started!

Top tips

- ▶ **Toilet rolls** can make some very cute looking fish
- ▶ **Sea creatures** love water – think about what would make **the perfect shape** to hold your sea creatures in
- ▶ **Plastic bottles** are great body shapes for sea creatures
- ▶ A **coat of paint** can help turn your recycled materials into **colourful creatures!**

Share your creations with us [#wildathomehub](https://www.instagram.com/wildathomehub)
