

LOCKDOWN CHALLENGE

CASTING ANIMAL PRINTS

To help with lockdown boredom, we have created a **fun challenge** just for you!

Can you make your very own **animal print cast**?

Using simple these materials, it is guaranteed fun and enjoyment for the whole family!

What you'll need:

Cardboard

Plaster of Paris

Container to mix plaster of Paris with water

Scissors

Tape

Top tips

- ▶ Make sure you **clear the print of all debris** to ensure a clear cast
- ▶ Prepare different **sizes of cardboard rings** to cover different sizes of print
- ▶ A notepad and pen may come handy if you want to **write down facts** about the prints you find
